About Us:-

Care Point Engineers committed to serve best quality products and services.

Care point Engineers incorporated in the year of **2018**.

Ownership of firm is a **sole proprietorship**. Location of our firm is Delhi.

Our company has directed its whole efforts towards **trading of compressed air system equipments, service and Air compressor spares**.

We have complete range of replacement spares and accessories of all type of Reciprocating and Screw compressors.

We have emerged/ channel partner as one of the leading Manufacturers and Suppliers of air compressor spares and accessories last 28 years.

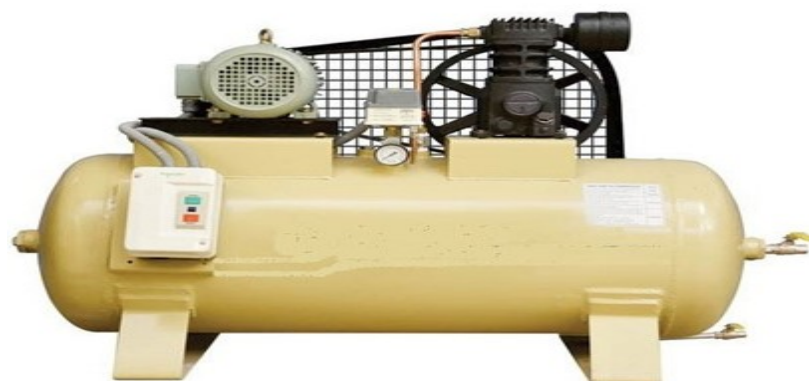

Our firm is a fast growing company with compressed air as its main area of operations. Moving with time and the market's highly volatile and fast changing demands ,we have managed to hold on to values that add assurance to compressed air technology . Our experience guided us to a stream that would eventually prove crucial for us and market that we cater to. Company Ethos our firm is supported by a team of well-qualified, experienced and committed professionals.

Products we supply.

Products

- * Industrial Air compressors
- * HP Air compressor
- * Compressed Air dryers (Refrigerated & Heatless)
- * Compressed Air piping
- * Air line accessories
- * Industrial water Chillers
- * Pneumatic Product/ Automation
- * Auto Drains (Zero Air Loss, Mech. Float, etc.)

Industrial Air compressors :-

Compressed air applications is a wide range of applications in various sector. Because the application determines the different type of air compressor specifications are required as per plant need. We are here for caters you.

HP & Booster Air compressors :-

We are highly acknowledged organization engaged in presenting Pet Air Compressor.

Matching up with the ever increasing requirements of the customers, our company is engaged in providing Booster Air Compressor.

Air dryers (Refrigerated & Heatless):-

We offered all range of **refrigerated air dryers**. Increased productivity, reduced operational costs, increased system protection and compact design. Buyers can obtain the Dryers at competitive rates.

We are offered wide range of Heatless Air Dryer, consist of two towers a specialized material that absorbs the water vapor in the saturated compressed air.

Compressed Air piping :-

Aluminum compressed Air Piping with all fittings.

Aluminum pipe's corrosion-resistant properties mean optimal **air** flow, reduced energy costs, and better **air** quality. The fittings used with **aluminum pipe** systems fit securely and leak far less than the fittings used with threaded systems. This translates directly into energy savings and improved plant productivity.

Airline accessories:-

Industrial and Compressed Air System Products:

Auto Drain:- Zero loss, Mech. Sensor based and Timer based.

Available line filter in all sizes and rang from 5micron to 0.01 micron. Our **Moisture Separators** are extensively used in different applications. Our company is reckoned among the prominent Manufacturers of line filter and moisture Separators from reputed vendor.

Industrial water Chillers

We offered wide range of customized industrial air & water cooled chillers for a wide range of applications.

Compressed Air System Job Work :-

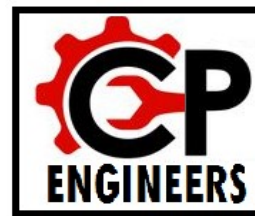

Air Compressors Replacement Spares:-

CARE POINT ENGINEERS sells top quality of Generic Spares parts for major brands of compressors as an alternative to the original equipment manufacturers. We have no relationship with any of the brand names identified on our e-mails/ catalogues/ brochures/quotations/ invoices and images. The brands, images and trademarks of the companies are the property of the company that owns them and CARE POINT ENGINEERS makes no claims and implies no relationship to them.

Pneumatic Products:-

**CARE
POINT
ENGINEERS**

Control Valve

Rotary Joint

QRC

Moisture Separator

Mechanical Valves

Speed Controller

Stoppers

Shock Absorbers

Speed Controller

Mini Ball Valve

Hand Leaver Ball Vale

Industrial Gauges

temperature Sensors

Star Couplings

Sealant Gun

Washing Gun

Pressure Switch

Digital Pressure Switch

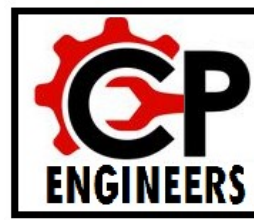

Air Bellows

Pneumatic Sensors

High Speed Valves

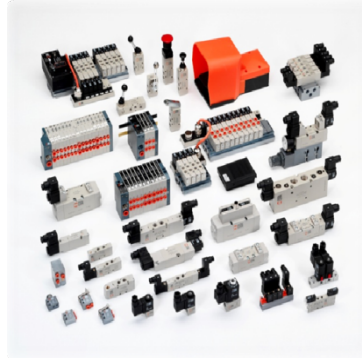

**CARE

Pneumatic / Industrial Products:-

Pneumatic Cylinder

Pneumatic Valves

Push in Fittings

Air Source Treatment

Britt Valve

2/2 Way Valves

Pneumatic Telescopic Cylinder

PU Tubing's

SS Fittings

Brass Fitting

SS Push in Fitting

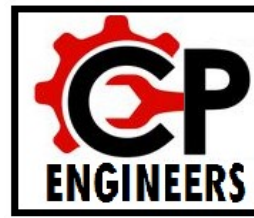

Aluminium Fitting

We deals in Weldcraft Maintenance and Conventional welding electrodes.

Weldcraft was born in 1976 Today Weldcraft has adopted a philosophy of "customization to meet customer's special welding needs" and this customization philosophy is applicable to its range of products comprising
